HOW TO CHANGE PHONE NUMBER

1. On the right side under **Bill To**, right-click the customer name → select **Edit Billing Information**

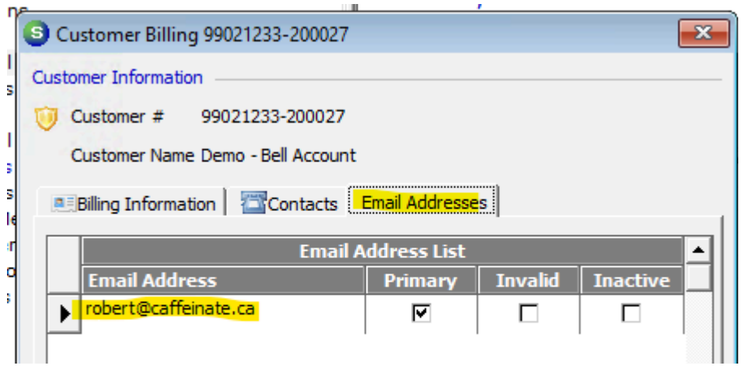

2. Under **Phone 1**, enter the customer's preferred contact number → click **Save**

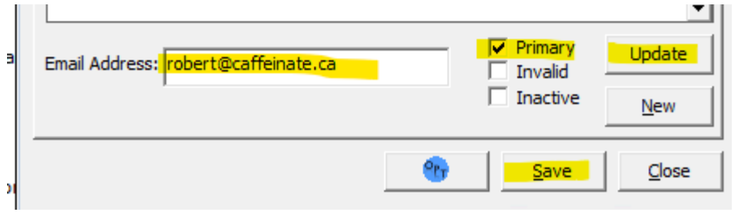

HOW TO CHANGE EMAIL ADDRESS

1. Under **Bill To**, right-click the customer name → select **Edit Billing Information**

2. Under **Email Addresses**, click the first email on the list

3. In the editable field below, enter the new email address → check the **Primary** box → click **Update**

4. Confirm the updated email appears in the list → click **Save**

Note: To ensure the customer receives invoices and email notices, all **Email** boxes must be ticked under Billing Information. If they prefer receiving invoices by mail, tick all **Print** boxes instead.
