How to Search and Open Account in Sedona

1. Go to **Customer** → click **Customer Lookup**

2. Click the **dropdown** to select what you want to search by *(Invoice #, Customer #, Phone, Email, Address, System, etc.)*

Enter the information and search

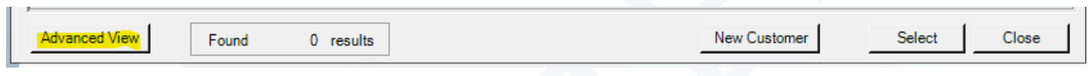

✅ ***Always check "Include Canceled"*** *to make sure all accounts show up in results*

If the account still doesn't appear:

- Double-check the information with the customer
- Click **bottom-left corner** to switch to **Advanced View** for more search options

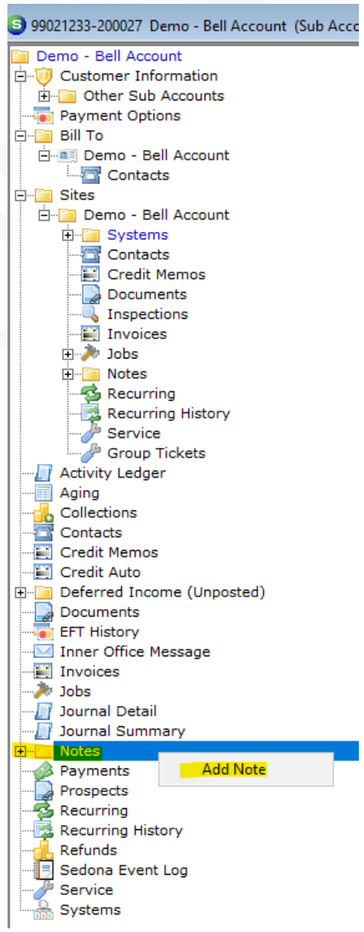

- Click the same corner to return to **Simple View**

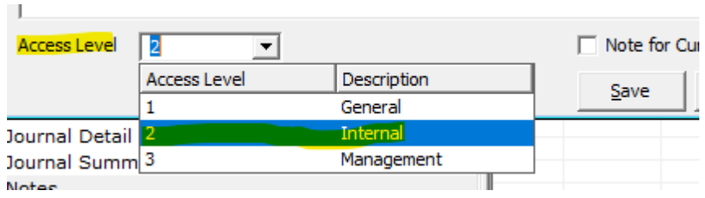

Saving Notes in Sedona

1. On the **right side** of the account, find the **2nd "Notes"** section → **Right-click** → select **Add Note**

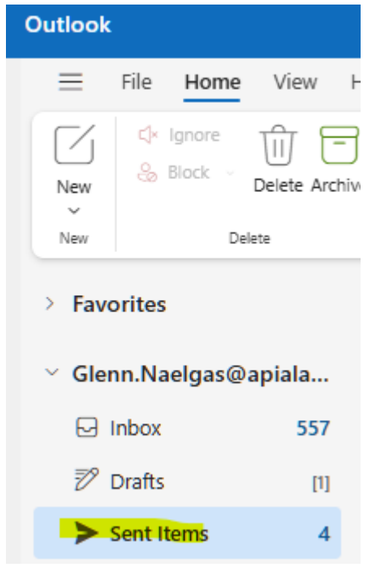

2. Before saving, always set the access level to **"2 – Internal"**

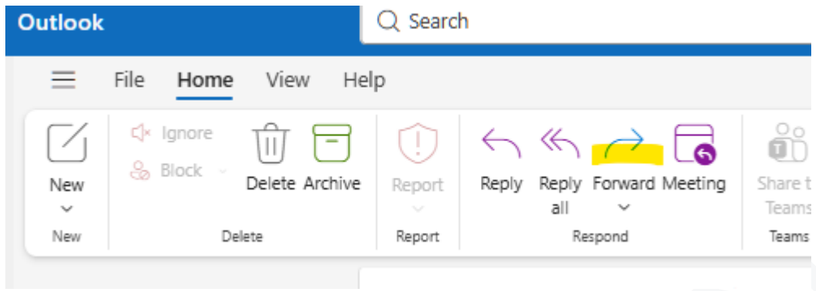

INTERNAL USE ONLY

For email communication:

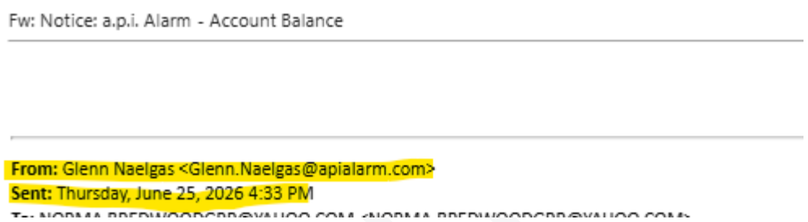

1. Go to your **Sent Items** folder

2. Open the email you sent → click **Forward**

3. **Copy all contents** from the highlighted header down to the bottom *(this captures the date, time, and recipient for a full audit trail)*

4. Paste into the note and save

📋 Logging forwarded emails ensures your actions are **timestamped and traceable**

INTERNAL USE ONLY
