Trusted Security Since 1983

October 1, 2025

Dear Valued Customer,

We are pleased to inform you that, effective October 1, 2025, a.p.i. Alarm Inc. has officially acquired your security services from Bell. We are committed to ensuring a smooth transition from Bell / Bell MTS / Bell Aliant, while continuing to provide you with the trusted protection, support, and service you expect.

As an a.p.i. Alarm customer, you will enjoy enhanced services designed to improve your overall experience, including:

- Faster and more convenient alarm response notifications with 2-way texting from our monitoring center.
- Access to the latest technology, with upgraded alarm systems and a wide variety of security products. Burglary Alarms, Fire Alarms, Medical Pendants, CCTV, Access Control, Intercoms, Video Monitoring and more.

We are excited to welcome you to the a.p.i. Alarm Inc. family and look forward to delivering reliable, high-quality security services.

Please refer to the attached Frequently Asked Questions (FAQs) for additional information.

If you need assistance or have any questions, please contact us:

Phone: 1-800-267-2001

Email: welcome@apialarm.com

Website: www.apialarm.com

Warm regards,

Josh Garr

Frequently Asked Questions (FAQs)

1. What does this mean for my monitoring services?

No action is required. Your monitoring services will transition seamlessly to a.p.i. Alarm's monitoring station, with no interruption.

2. Will there be any changes to my app?

Total Connect app users: No changes are required. Your login credentials and all functionalities remain the same.

Bell Smart Home app users: Your Bell Smart Home app will continue to be available to you. You can download the a.p.i. Alarm Inc. app from your device's app store. You may continue to use the same login credentials from the Bell Smart Home app.

3. How does this affect my billing?

Beginning October 1, 2025, billing for your services will be managed by a.p.i. Alarm. While invoices may look slightly different (e.g., "Monitoring Services" replacing "Good, Better, Best"), your billing frequency, timing, payment terms, and service coverage periods will remain unchanged.

As previously communicated by Bell, your current rates will remain unchanged for at least two years or for the duration of your existing contract.

Important: Outstanding invoices for services provided up to September 30, 2025, must still be paid to Bell. All payments for services after that date should be made to a.p.i. Alarm Inc.

4. How can I make payments going forward?

You may choose from the following payment options:

1. Pre-Authorized Payments – No action required; payments will continue automatically.
2. Credit Card – Call 1-800-267-2001 to make a payment.
3. Online Banking – Search for 'api Alarm' as the payee; use your account number for one-time payments.
4. In Person at Your Bank – Bring a copy of your invoice.

5. Smart Home App – Download the a.p.i. Alarm Inc. app and use the integrated payment option.
6. To set up pre-authorized payments, please complete and return the attached form.
